Dear Clerk,

before filing these documents, please notify Judge O'Connor's office that the Plaintiffs have received death threats and the male inmates are accessing the court filings through PACER. They have stated that if an order is issued that they are being taken out of Carswell, they will kill us.

Thank you,

A handwritten signature in black ink, appearing to read "RF", which is likely an initialism for Rhonda Fleming. The signature is written in a cursive style with a long horizontal stroke extending to the right.
